

Auto Bolt Continues to Invest to Better Serve Customers

Auto Bolt's commitment to provide exceptional service and produce high quality parts has always been a top priority.

We are excited to share our newest addition. Pictured here is our new National M20 diameter 4 die high-speed bolt maker. The M20 capabilities range from 5/8"-1" (M16-M24) in diameter X 6" in length (150MM). This new piece of equipment will provide additional support to meet our customers' needs.

Auto Bolt, located in Cleveland, Ohio, is an independently owned manufacturer of quality fasteners since 1948. Auto Bolt specializes in offering both low- and high-volume performance and commercial fasteners. Auto Bolt is a leading provider of fasteners for various industrial, distribution and original equipment markets and applications, including: Truck and Trailer, Military, Construction and Agricultural equipment, and Automotive components.
