

## News from Brighton-Best International

Brighton-Best has welcomed Chris Conley as Ironclad Regional Sales Manager for the Upper Midwest Region. Chris has a very strong background selling PPE through distribution. Chris is a graduate of Minnesota State, where he majored in physical education and played NCAA basketball. Chris and his family live in the Minneapolis, Minnesota, area. You can reach Chris at [cconley@ironclad.com](mailto:cconley@ironclad.com).

The history of automobiles being used for drag racing is nearly as long as the history of motorized vehicles. BBI Preferred is proud to be an official sponsor for Driver Alan Englen and his motorsport car for the premier drag racing circuit.

Brighton-Best International located in Santa Fe Springs, California, supports South Bay Vocational Center, a not-for-profit organization with efforts in providing work-training skills to those with disabilities. BBI Chicago partners with a local non-profit, ClearBrook, which creates opportunities to support adults with disabilities. At BBI, we focus on ability rather than disability. We believe in empowering our employees to reach their maximum potential through multiple training opportunities and offer up solutions to help make the company and our employees more successful.

IronClad, a BBI company, will move into a new warehouse in Texas this year that will allow us to better serve its distributors as the demand for new products and new designs become available in the months and years to come.
