

Fastener Fair USA Rescheduled to June 2021

Fastener Fair USA, the only exhibition in the United States dedicated to the full fastener supply chain, announced the show has been rescheduled and the next edition of Fastener Fair USA will take place June 22-24, 2021 (Conference: June 22 | Expo Hall: June 23-24) and will remain in the Huntington Convention Center of Cleveland, Ohio.

“The wellbeing of the fastener community is our first priority,” said Kate Scott, Event Vice President, Reed Exhibitions. “As we continue to navigate the COVID-19 pandemic, the decision to hold the next edition of Fastener Fair USA in June of 2021 was made to ensure the highest likelihood that we can get back to business and reconnect as a global fastener industry, in-person.”

Since 2018, Fastener Fair USA has been the industry event, from automotive to aerospace, construction to HVAC, furniture to appliances, fastener professionals from all levels of the supply chain come together to find and source the latest products from leading suppliers.

“We have all been facing challenging times, and it now feels even more important than ever to choose a date where we have confidence that we can bring together the industry to come together face-to-face to network, source, grow professionally our technical conference and best practice learnings,” said Bob Chiricosta, Event Director, Fastener Fair USA. “Fastener Fair USA would not be successful without the driving support and passion of the fastener community and we look forward to creating a memorable event for you next year in Cleveland.”

Fastener Fair USA will be held in Cleveland, Ohio, one of the largest manufacturing hubs in North America. Combining a comprehensive display of industry innovation with technical conference sessions, demonstrations and opportunities to connect with peers and industry experts.
