

Mid-West Fastener Association to Award \$43,500 in Scholarships, Surpassing \$800,000 to Date

MWFA is pleased to announce that on November 5, they will be awarding scholarships to 21 students in the amount of \$43,500. This year marks \$812,000 in scholarship dollars awarded over 34 years. This is a long standing program the MWFA is very proud of as well as pleased that during this challenging pandemic year, despite canceled events, they are still assisting this many students with their college education.

As the Board of Directors met to discuss this year's awards, they were delighted that the MWFA membership provided generous donations this year. A special thank you to the donors of our named scholarships: XL Screw Corp., Clarcorp Industrial Sales, Brighton-Best International, Star Stainless Screw, South Holland Metal Finishing, BTM Mfg., and SWD for donating named scholarships. Besides seven larger scholarships, 14 additional \$1,500 scholarships will be awarded.

Since we can't meet in person to present the awards, a virtual meeting will be held November 5. We invite MWFA members and fastener friends to join us for this meeting to celebrate these students.

For log on information, visit mwfa.net. You will find log on information on the home page.

MWFA, established in 1946, is one of the oldest fastener associations in the country. MWFA's purpose is to serve and promote the fastener industry and the ever-changing needs of its membership. Specifically, the MWFA is dedicated to representing all segments of the industry: manufacturers, distributors, importers and suppliers to the industry.
