

## **Metal Resource Solutions Inc. Names Inside Sales Rep**

Metal Resource Solutions Inc. promoted Matt Beebe to the role of Inside Sales Representative in their McHenry, Illinois sales office. Matt joins sales veterans Vickie Myers and David Kerr as the company expands its presence in the Midwest market.

Matt is a 2017 graduate of the University of Dayton with a marketing degree in the college of business. He has been immersed in MRSI's training program over the last eight months as he has been learning various facets of the wire and fastener industries.

“Matt has shown excellent communication skills and a real knack for taking the customer's interest to heart,” said MRSI President Rich Tereba. “He is like a sponge, eagerly soaking up all the information about the customers' needs and expectations.”

Matt is a sports enthusiast and especially enjoys playing basketball, golf and fishing.

When asked what he enjoys most about his job, Matt summed it up in one word: “relationships.”

Metal Resource Solutions is a master distributor of fine quality stainless steel, brass and copper wire used in the fastener and wire forming industries, and is home of the cost saving 4MAX Stainless Steel cold heading wire. They are ISO 9001:2015 certified.
