

Join Us at NCFA's 10th Annual Distributor Social: May 17, Independence, Ohio

This year is NCFA's 10th annual NCFA Distributor Social. This networking event is reminiscent of the Columbus Fastener Show many years ago and turned out to be exactly what much of our industry was looking for! We knew from the start it was important to keep it simple, so the focus of attendees could be on the social/networking aspect. There are no booths to drag in and set up, and you are not stuck "working" behind a tabletop all evening.

The Distributor Social is exactly what it is ... a networking event with many top distributors and suppliers in our industry all gathered in one room. You are free to roam the entire evening talking to customers, potential customers, vendors and industry friends. The NCFA knows very well that this event would not be possible without the sponsorship and support from our supplier companies. We thank you for your continued support year after year to make this event a continued success!

NCFA DISTRIBUTOR SOCIAL will be held from 5-8 p.m. at the Crowne Plaza Hotel, 5300 Rockside Rd., Independence, Ohio.

JUST ADDED: Panel discussion with Kirk Zehnder from Earnest Machine from 4 – 5 p.m. prior to NCFA Distributor Social. No need to pre-register for this event. Free for all Distributor Social attendees!
