6pm (approx.) - AWARDS

This event is open to everyone! You DO NOT need to be a current NCFA Member to join us. Sponsorship opportunities are available too! Don't miss out on this highly anticipated event!

- Proxy Contests (Longest Drive/Pin Shot)
- Team Prizes
- Beverage Station & Cart
- 1 Dozen Balls Per Golfer
- 1 Mulligan Per Golfer
- Private Pavilion
- Catered By Winking Lizard

We realize this pandemic is not going away anytime soon, as much as we all hope it would. We canceled many of our events that we did not believe we could offer a safe environment to our members. However, since this is an outdoor event and the fact that Valleaire has assured us that they have taken every precaution necessary to keep golfers as safe as possible, we decided to move forward with this. Obviously the risk is still there, and we cannot guarantee anything at this point, other than the rules put in place by Valleaire listed below:

“We have put procedures in place to help protect our guests. Golfers will be riding 2 to a cart. Masks must be worn inside clubhouse (which is where bar and restrooms are located). No gathering of more than 10 golfers in a group. The pavillion space (where dinner is provided) has tables spaced apart. When guest come to register, we will have our staff there to help them to their carts. We ask they stay at the cart until play time. After, we space out guests as carts arrive, so not to gather a bunch of carts coming in at once.”

We understand even with these precautions in place, you may still not be comfortable attending the event. Please consider sponsoring a hole or beverage cart for our biggest fundraising event for scholarships.
