

## **NCFA 2021 Scholarship Application Due May 31**

Each year, the North Coast Fastener Association (NCFA) gives back to its members and their families in way of scholarships. This is made possible by the continued support of our valued members attending and supporting many of our events. Thank you!

The scholarship application deadline is May 31, 2021.

To view the application and to check eligibility requirements, visit [www.ncfaonline.com](http://www.ncfaonline.com) and go to the Resources Tab.

A huge “thank you” to Brighton-Best International and Solution Industries for making donations directly to the NCFA Scholarship Fund. Your generous contributions are greatly appreciated.
