

NFDA: Attend Free Tech Talk Webinar Nov. 2, Apply for Scholarships by Dec. 1

The webinar “Productivity and Collaboration - How to Leverage Technology to Help Grow Your Business” will be held Thursday, November 2, at 11:00 a.m. Eastern.

REGISTRATION

NFDA Members - Free

Non-Members - \$29 per log-in

WHY ATTEND THIS WEBINAR?

Have you felt like you were not effectively communicating with your team members? Have you heard of complaints from customers about response time? Have you seen the improvement that productivity and collaboration tools made in other teams?

WHAT WILL YOU LEARN?

Microsoft Office 365 is a suite of tools that includes e-mail, Microsoft Office, and OneDrive to provide a complete set of tools to support productivity and collaboration in your office.

HOW CAN YOU APPLY THIS TECHNICALLY TO YOUR BUSINESS?

Learn 12 productivity tips and tricks and how to use OneDrive to share files and co-author documents. Utilize OneNote to organize documents and store key knowledge within the organization.

WHO SHOULD ATTEND?

Middle managers in Sales, Marketing, Finance, I/T, and team members responsible for communication inside and/or outside the organization.

ATTENDEE TESTIMONIAL

NFDA member Carmen Vertullo of Carver Consulting, says, “What a great webinar! We came away with some stuff we will put to immediate use. It’s nice to be a member of NFDA!”

PAST WEBINARS

NFDA members can access recordings of past webinars by logging in to our Article Archive at <https://nfda-fastener.site-ym.com/Login.aspx?returl=%2fdefault.asp%3fpage%3dArticleArchive>. Scroll down to the “Tech Talk Webinars” section. Email [Tanya Panella](mailto:tanya@nfda-fastener.org) at tanya@nfda-fastener.org if you've forgotten your login.

Non-Members can purchase past recordings for \$29 by visiting <https://nfda-fastener.site-ym.com/store/ListProducts.aspx?catid=612645>.
