

NFDA Announces Upcoming Educational Events

“Put A Little Zip in Your Zoom,” techniques to up your videoconferencing presence, will be offered September 17, 2020, from 2-3 p.m. ET.

Yet another videoconference? Yawn. Your attendees are suffering from Zoom fatigue, and it's time to wake them up! Your Nerdy Best Friend, aka Author Beth Z, will share tips and tricks to make online meetings and events more engaging and interactive.

Join Beth Z to try out the techniques live to discover:

- The secrets of whiteboards
- Breakout room tips for productive peer-to-peer interactions
- Hacks for better and easier screen sharing
- Zoom settings for extra visual features

This presentation is free for NFDA and YFP members and \$49 per company for non-members. To register, visit www.nfda-fastener.org.

Also, the webinar “Fastener Finishes and K-Factor Determination,” will be held Friday, September 18, 2020. It is sponsored by Fastener Education Foundation.

What's the fastener torque-tension relationship that end-users care about most? The K-Factor! This live, 90-minute webinar will teach you the ins and outs of this determination for the benefit of both end-users and suppliers.

This webinar is free for fastener association members and \$49 per company for non-members. It will be held from 11 a.m. – 12:30 p.m. PT.
