

## PICO Chemical Corporation Celebrates 45<sup>th</sup> Anniversary

PICO Chemical Corporation, a privately held, family-owned and operated formulator and manufacturer of specialty chemicals and lubricants, is celebrating its 45<sup>th</sup> year of business.

Established in 1976, PICO Chemical has experienced consistent growth with its primary focus on manufacturers of paints, inks, resins, adhesives, etc.; metalworking; metal processing; and steel industries and their related industrial applications worldwide.

PICO offers fast turnaround, complimentary fluid analysis (CFA) reporting and support to our customers. PICO is ISO 9001 certified under DQS Inc. and a long-time, proud member of IMA.

PICO views its relationship with each customer, employee and supplier as a long-term partnership. Our commitment to our customers is good, old fashioned customer service, a key ingredient to our success.

*Our Quality Pledge: “To provide products and services that meet and exceed our customers’ expectations and to continuously improve the effectiveness of our quality system.”*

PICO Chemical Corporation is located at 400 E. 16<sup>th</sup> Street, Chicago Heights, Illinois, 60411. For information, call PICO Chemical at 708.757.4910, visit [www.picochemical.com](http://www.picochemical.com), or email us at [info@picochemical.com](mailto:info@picochemical.com).
