

## **Magnetic Sweeper Introduced to Clean Up Ferrous Metal Debris**

Magnet Source® has introduced the VersaSWEEP™ Magnetic Floor Sweeper with Quick Release. This versatile sweeper, available in widths from 48” to 96”, can be used in four configurations - hang, tow, mount or push - to quickly clean up ferrous metal debris.

The Magnet Source® brand of magnetic sweepers from Master Magnetics offers the most complete line of sweepers for every size job, ensuring quality, efficiency, and durability. The VersaSWEEP™ combines the functionality of every style, all in one sweeper.
