

Wire India 2018 Online Exhibitor Registration Open

Online exhibitor registration for wire India 2018, 7th International Exhibition for the Wire and Cable Industry, is open at www.wire-india.com. The deadline to reserve exhibit space is August 31, 2018. The event will take place from November 27 - 29, 2018 at the Bombay Exhibition Center in Mumbai.

Held concurrently will be Tube India and Metallurgy India as well as Welding & Cutting India. Messe Düsseldorf and its Indian subsidiary Messe Düsseldorf India are the organizers of wire India, Tube India and Metallurgy 2018 while Welding & Cutting India 2018 is jointly organized by Messe Düsseldorf India and Messe Essen.

Exhibit categories at wire India 2018 will include wire manufacturing and finishing machinery (incl. cable, fastener- and spring manufacturing machinery), process technology tools, auxiliary process technology materials, special wires and cables as well as measuring and control technology and test engineering. Next year's event will be the first one in India to feature a dedicated area for fastener technology exhibitors – the Fastener Special Zone.

Together, the four trade fairs cover the complete spectrum of metal working and processing. The events have the support of the international associations IWCEA (International Wire and Cable Exhibitors Association), IWMA (International Wire & Machinery Association), ACIMAF (Italian Wire Machinery Manufacturers Association), WCISA (Wire and Cable Industry Suppliers Association) U.S. and ITA (International Tube Association). The Indian associations SWMAI (Steel Wire Manufacturers Association of India) and AIWMA (All India Weldedmesh Manufacturer's Association) are also providing support.

When last held in 2016, 406 exhibitors presented the latest technologies at wire India, Tube India and Metallurgy on 86,000 square feet of exhibit space. In addition to the participation of exhibitors from India, the shows again featured large country pavilions from Austria, China, Italy, Germany and the U.S. About 12,300 trade visitors took part - a 28% increase compared to the previous events.
